

[illegible]

A cross-sectional view of a curved, multi-layered structure 110. The structure consists of several layers: an outermost layer 112, a middle layer 113, and an innermost layer 115. The layers are joined at the ends by a bonding layer 114. The structure is shown in a curved, bowl-like shape. Other labels include 116 and 117, which point to specific features of the structure.
